Getting here

To get to **Bay House** drive first to Helston and then take the A3083 to The Lizard (red road in map below).

In the centre of Lizard village turn left. You will drive along a road with a row of houses on the left and a football pitch on the right with the sea beyond.

After about five hundred yards take the first turning to the right. You will pass an old building with a blue door on the left.

Follow this road to the very end then turn right onto a short unmade-up road which is sign-posted 'Bay House'. After about fifty yards you will enter Bay House.

Rooms are ready from four o'clock.
